INTRODUCTION

The recommended setup

For a 150 ft yacht cruising the Gulf, we recommend two boats: one tender carried on board, stowed in the garage or on deck and launched by crane, and one chase boat that runs alongside the yacht or waits in the marina.

Our recommended pairing is the **Scout 315 LXF** on board, with the **Scout 425 LXF** as the chase boat.

Where crane capacity or garage space is tight, the **World Cat 280CC-X** is the alternative tender. For a stable catamaran ride with seating for a larger party, the **World Cat 400CC-X** is the alternative chase boat.

The pages that follow compare the full selection, then look at each model in turn.

AT A GLANCE

The selection compared

MODEL	LOA	BEAM	WEIGHT (BASIS)	MAX POWER	FUEL	CAPACITY
On-board tenders						
Scout 315 LXF RECOMMENDED	31′5″ / 9.6 m	10′4″ / 3.15 m	**4,034 kg** without engines	700 hp	958 L	—
World Cat 280CC-X	27′6″ / 8.38 m	9′2″ / 2.79 m	**3,357 kg** with engines	450 hp	833 L	Seating for 11
EdgeWater 310SC	32′ / 9.75 m	9′6″ / 2.9 m	**4,309 kg** with engines	800 hp	814 L	12 persons

Nº 01 RECOMMENDED

Scout 315 LXF

SCOUT · ON-BOARD TENDER

Compact enough to be carried aboard yet capable of up to 700 hp, the Scout 315 LXF is our recommended on-board tender for a yacht of this size. At 9.6 m and 4,034 kg without engines, she brings Scout's refined finish to a package suited to crane launching from the garage or deck.

BUILDER	Scout
TYPE	On-board tender
LENGTH OVERALL	31'5" / 9.6 m
BEAM	10'4" / 3.15 m
WEIGHT	4,034 kg (without engines)
MAX POWER	700 hp
FUEL	958 L
CAPACITY	—

ROLE

On-board tender

RECOMMENDED

Sized for stowage in the garage or on deck and crane launching. Fit to be verified against the yacht's crane safe working load and garage dimensions.

World Cat 280CC-X

WORLD CAT · ON-BOARD TENDER

The lightest boat in the selection at 3,357 kg with power, the World Cat 280CC-X is the answer when crane capacity or garage space is tight. Her catamaran hull and 14-inch draft give a stable ride and easy beach landings, with seating for 11.

BUILDER	World Cat
TYPE	On-board tender
LENGTH OVERALL	27′6″ / 8.38 m
BEAM	9′2″ / 2.79 m
WEIGHT	3,357 kg (with engines)
MAX POWER	450 hp
FUEL	833 L
CAPACITY	Seating for 11
DRAFT	14″

ROLE

On-board tender

Sized for stowage in the garage or on deck and crane launching. Fit to be verified against the yacht's crane safe working load and garage dimensions.

Nº 03

EdgeWater 310SC

EDGEWATER · ON-BOARD TENDER

A 32-foot tender with genuine comfort below, the EdgeWater 310SC offers a cabin and electric head for guests spending the day ashore. Up to 800 hp and room for 12 make her a capable, refined shuttle between yacht and shore.

BUILDER	EdgeWater
TYPE	On-board tender
LENGTH OVERALL	32′ / 9.75 m
BEAM	9′6″ / 2.9 m
WEIGHT	4,309 kg (with engines)
MAX POWER	800 hp
FUEL	814 L
CAPACITY	12 persons
ACCOMMODATION	Cabin with electric head

ROLE

On-board tender

Sized for stowage in the garage or on deck and crane launching. Fit to be verified against the yacht's crane safe working load and garage dimensions.

Scout 305 LXF

SCOUT · ON-BOARD TENDER

Light at 3,116 kg without engines yet able to take up to 800 hp, the Scout 305 LXF is a nimble and lively guest shuttle. Her modest 30-foot length makes her an easy fit for on-board stowage.

BUILDER	Scout
TYPE	On-board tender
LENGTH OVERALL	30′1″ / 9.2 m
BEAM	9′10″ / 2.99 m
WEIGHT	3,116 kg (without engines)
MAX POWER	800 hp
FUEL	803 L
CAPACITY	—
DRAFT	20.5″

ROLE

On-board tender

Sized for stowage in the garage or on deck and crane launching. Fit to be verified against the yacht's crane safe working load and garage dimensions.

Nº 05

EdgeWater 285CC

EDGEWATER · ON-BOARD TENDER

The most compact of the on-board tenders at 28 feet, the EdgeWater 285CC still finds room for a console berth and head. Space for 12 persons and up to 600 hp make her a practical, versatile companion to the yacht.

BUILDER	EdgeWater
TYPE	On-board tender
LENGTH OVERALL	28′ / 8.53 m
BEAM	9′6″ / 2.9 m
WEIGHT	3,924 kg (basis not stated)
MAX POWER	600 hp
FUEL	757 L
CAPACITY	12 persons
ACCOMMODATION	Console berth and head

ROLE

On-board tender

Sized for stowage in the garage or on deck and crane launching. Fit to be verified against the yacht's crane safe working load and garage dimensions.

Nº 06 RECOMMENDED

Scout 425 LXF

SCOUT · CHASE BOAT

The flagship of this selection, the Scout 425 LXF delivers up to 1,800 hp with a Seakeeper gyro stabiliser as standard. With 2,063 litres of fuel she is the ideal chase boat, shadowing the yacht at sea or waiting in the marina ready for guests.

BUILDER	Scout
TYPE	Chase boat
LENGTH OVERALL	42'2" / 12.8 m
BEAM	13'1" / 3.99 m
WEIGHT	7,740 kg (without engines)
MAX POWER	Twin 600 hp, triple 600 hp or quad 450 hp
FUEL	2,063 L
CAPACITY	—
STABILISER	Seakeeper, standard

ROLE

Chase boat

RECOMMENDED

Runs alongside the yacht or waits in the marina, ready for guests.

Nº 07

World Cat 400CC-X

WORLD CAT · CHASE BOAT

Seating up to 20 on a stable catamaran hull, the World Cat 400CC-X is the choice for moving larger groups in comfort. Up to 1,700 hp, a console head and 2,286 litres of fuel equip her for long days alongside the yacht.

BUILDER	World Cat
TYPE	Chase boat
LENGTH OVERALL	39′8″ / 12.09 m
BEAM	12′8″ / 3.86 m
WEIGHT	6,577 kg (with engines)
MAX POWER	1,700 hp
FUEL	2,286 L
CAPACITY	Seats up to 20
AMENITIES	Console head

ROLE

Chase boat

Runs alongside the yacht or waits in the marina, ready for guests.

N° 08

Front Runner 37 Cat

FRONT RUNNER · CHASE BOAT

A fast quad-outboard catamaran, the Front Runner 37 Cat carries 2,650 litres of fuel for a range of around 650 nautical miles. Her 12-foot beam and catamaran stability make her a confident chase boat on longer passages.

BUILDER	Front Runner
TYPE	Chase boat
LENGTH OVERALL	37′9″ / 11.5 m
BEAM	12′ / 3.66 m
WEIGHT	6,804 kg (basis not stated)
MAX POWER	—
FUEL	2,650 L
CAPACITY	—
POWER	Quad outboards
RANGE	650 nm

ROLE

Chase boat

Runs alongside the yacht or waits in the marina, ready for guests.

World Cat 325DC

WORLD CAT · CHASE BOAT

A dual-console catamaran seating up to 12, the World Cat 325DC is an ideal family tender for long stays at anchor. At 6,033 kg with power, she is best run alongside the yacht rather than lifted aboard.

BUILDER	World Cat
TYPE	Chase boat
LENGTH OVERALL	32′2″ / 9.8 m
BEAM	10′6″ / 3.2 m
WEIGHT	6,033 kg (with engines)
MAX POWER	850 hp
FUEL	1,056 L
CAPACITY	Seats up to 12

ROLE

Chase boat

Runs alongside the yacht or waits in the marina, ready for guests.

Nº 10

Scout 400 LXF

SCOUT · CHASE BOAT

The Scout 400 LXF pairs a cabin and head with a Seakeeper gyro stabiliser as standard. Up to 1,700 hp and as much as 1,927 litres of fuel with saddle tanks give her serious reach as a chase boat.

BUILDER	Scout
TYPE	Chase boat
LENGTH OVERALL	39'7" / 12.0 m
BEAM	12'1" / 3.7 m
WEIGHT	6,777 kg (without engines)
MAX POWER	1,700 hp
FUEL	1,495 L (1,927 L with saddle tanks)
CAPACITY	—
ACCOMMODATION	Cabin with head
STABILISER	Seakeeper, standard

ROLE

Chase boat

Runs alongside the yacht or waits in the marina, ready for guests.

№ 11

Contender 39ST

CONTENDER · CHASE BOAT

For serious fishing and diving, the Contender 39ST is the purposeful choice. Up to 1,600 hp and 1,893 litres of fuel give her the pace and range to follow the yacht wherever she cruises.

BUILDER	Contender
TYPE	Chase boat
LENGTH OVERALL	39′ / 11.89 m
BEAM	10′10″ / 3.3 m
WEIGHT	6,985 kg (ready to fish)
MAX POWER	1,600 hp
FUEL	1,893 L
CAPACITY	—

ROLE

Chase boat

Runs alongside the yacht or waits in the marina, ready for guests.

Nº 12

Adrenaline 42 Reaper

ADRENALINE · CHASE BOAT

The head-turner of the selection, the Adrenaline 42 Reaper delivers up to 2,250 hp from five outboards. A cabin with full bathroom and air conditioning brings unexpected comfort to a boat built for exhilarating speed.

BUILDER	Adrenaline
TYPE	Chase boat
LENGTH OVERALL	42'0" / 12.8 m
BEAM	12'2" / 3.71 m
WEIGHT	7,257 kg (dry, with five outboards)
MAX POWER	2,250 hp
FUEL	1,893 L
CAPACITY	—
ACCOMMODATION	Cabin with full bathroom and air conditioning

ROLE

Chase boat

Runs alongside the yacht or waits in the marina, ready for guests.
